Program Director: Francisco Monzon

Intake Coordinator: --

Description of Services:

TPSN is a program that seeks to bring together the community's best resources to provide pregnant and parenting wards with comprehensive services, while encouraging them to nurture and care for their babies, in an effort to break the cycle of repeat pregnancies and child neglect among this high risk population. Collaboration and teamwork have been at the heart of our work as we are client-focused, family-centered, and community-based.
